***Election/Restrictions***

The examiner is in receipt of applicant response to election/restriction requirement mailed 8/9/2006, which was received 9/8/2006. Acknowledgement is made to the election Group V without traverse and the cancellation of claims 1-43 and 53-64 along with the addition of claims 65-71. The examiner has carefully considered the election and amendment and finds that a species restriction of the elected group is necessary; therefore, the following species restriction is presented:

This application contains claims directed to the following patentably distinct species:

Group IA - 44,45,46,47,50,51,52,65,68,69

Group IB - 44,45,46,48,50,51,52,65,68,69

Group IC - 44,45,46,49,50,51,52,65,68,69

Group ID - 44,45,46,47,50,51,52,66,68,69

Group IE - 44,45,46,48,50,51,52,66,68,69

Group IF - 44,45,46,49,50,51,52,66,68,69

Group IG - 44,45,46,47,50,51,52,67,68,69

Group IH - 44,45,46,48,50,51,52,67,68,69

Group IJ - 44,45,46,49,50,51,52,67,68,69

The species are independent or distinct because each of the species provides for divergent subject matter as is specified in the restricted claims.

Applicant is required under 35 U.S.C. 121 to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable. Currently, claims 44,70 and 71 are generic.

Applicant is advised that a reply to this requirement must include an identification of the species that is elected consonant with this requirement, and a listing of all claims readable thereon, including any claims subsequently added. An argument that a claim is allowable or that all claims are generic is considered nonresponsive unless accompanied by an election.

Upon the allowance of a generic claim, applicant will be entitled to consideration of claims to additional species which depend from or otherwise require all the limitations of an allowable generic claim as provided by 37 CFR 1.141. If claims are added after the election, applicant must indicate which are readable upon the elected species.  
MPEP § 809.02(a).
